About our products

Blacksburg Bagels, locally owned and operated by the Bagel Lady and the Pie Guy, has been preparing handcrafted baked goods using traditional methods since 2013. As a business, Blacksburg Bagels has its roots in the Blacksburg Farmers Market where it remains an active year round member. In 2014 the company expanded to provide baked goods to homes, offices, shops, and restaurants.

We are still humbled by the trust you place in us to be on your family's table and will do our very best to provide you with the safest, most authentic, and tastiest baked goods possible.

Availability

We bake on Mondays, Wednesdays, and Saturdays. Orders for certain products may be subject to minimum order requirements. We deliver to homes and offices on Mondays and Wednesdays.

If after browsing this catalog you still have questions, we invite you to call or email us, or come see us at one of the markets we vend at each week!
